The homepage displays an enrollment Event (e.g., Open Enrollment, Retiree Option Change Period, Newly Eligible Employee). If you are a first-time user, select "How do I register for the SHBP Enrollment Portal?" FAQ for instructions. If you are a returning user but have not accessed the SHBP Enrollment Portal within the last 45 days, you will be prompted to create a new password that will also expire after 45 days. See "How do I reset my Password?" FAQ if you would like to reset your password. Step 3: Under the Event enrollment window, click Continue to proceed with your enrollment. Step 4: The Welcome page displays a terms and conditions message with the effective date. You must click Accept Terms and Conditions to continue to the next step of enrollment. Step 5: If applicable, click Go to Review Your Current Elections. This screen displays appropriate default enrollments for you. Step 6: If applicable, click Go to Review Your Dependents (if applicable). Verify that each dependent has a valid Social Security number (SSN) or other Tax Identification Number (TIN). Step 7: To start your election process, click Go to Make your Elections. Step 8: Click Go to Tobacco Surcharge question. You MUST answer the tobacco surcharge question using the radio option. After you answer the tobacco surcharge question, the decision support box will display. You are provided an option to use the decision support benefit option comparison tool (i.e., Decision Support Tool) to help you choose the right plan to meet your needs. You can choose to decline or accept the opportunity to use the tool. Please see additional information in the Retiree Decision Guide or the Active Decision Guide regarding the decision support tools. Step 9: Click Go to Health Benefits to choose your medical claims administrator (e.g., Anthem Blue Cross & Blue Shield, Kaiser Permanente, or UnitedHealthcare(s), plan option(s) and coverage tier. Step 10: Make your elections. When adding a new dependent, scroll down and check the "include in coverage" box located next to your newly added dependent. For existing dependents, confirm that all dependent(s) that require health benefits have a check in the "include in coverage" box. Step 11: Click Go to Review and Confirm Changes. "Your elections" will display on the screen and show the elections you made. You should carefully review your elections. Step 12: Click Finish. If finish is NOT clicked, your enrollment process has not been completed, which means you have decided to make no changes. If you choose NOT to enroll into a plan option, you must click the radio option for No Coverage. A pop-up box will then display Reason for Waive. You will need to select the drop-down box which will populate responses. Next, scroll through the options provided and select a reason. The Reason for Waive must be populated to move to the next step.
